Dear prospective Year 12 students

I hope that you and your families have all stayed safe and well during these difficult times.

We are looking forward to welcoming students into The Polesworth School Sixth Form in September and although you will find that there are safety measures in place for the benefit of both staff and students, we are expecting to get back into the normal swing of teaching from week 1.

I am contacting you with regard to confirming your Level 3 programme of study and registering for The Polesworth School Sixth Form. Registration for the Sixth Form will be taking place as normal on GCSE results day, Thursday 20th August and external applicants are invited to register in the **main school hall** as follows surname A-G 1.30pm, surname H-M 2.00pm, surname N-Z 2.30pm. Please note that acceptance onto your A level courses depends on your GCSE results and refer to your offer letter issued following your interview for the conditions of your offer. If you have narrowly missed out on your grades we may be able to discuss alternative options or courses; details of our entry criteria for each subject can be found on the Sixth Form section of our school website. Some students may wish to change their A level subjects in the light of their GCSE results and we will do our very best to accommodate such requests.

When you arrive in school please have with you your GCSE results slip and either your passport or birth certificate which we will need to see in order to register you as a full-time student at The Polesworth School. Once you have completed the registration process you will be issued with a copy of the Sixth Form Information pack which will give further details about our Sixth Form and arrangements for the first day back which will be **Thursday 3rd September from 9.15am.**

Should you be unable to attend registration on Thursday 20th August, we will be holding a second registration session on **Wednesday 2nd September from 1.30pm in the Sixth Form Study Centre (next to Reception).** If you would prefer to attend on this day, then I would be grateful if you would email me at l.munn@thepolesworthschool.com

All subjects have set transition work for students starting A level courses and I hope that you have already accessed that information. If you have not yet seen this work, then from the home page of our school website, click on the **SCHOOL LIFE** tab at the top of the page and from the drop down menu that appears, click on the **COVID19 heading**. Scroll down the page and you will find a heading **Year 11 Transition Work**; the work set by all subjects is listed there.

I hope you have a peaceful and safe summer break. We look forward to seeing you in September.

Yours sincerely

Mrs Lynn Munn
